

communities
IN A HYPERCULTURE
ARE

Space

SHARING
SPACE

COMMUNITIES
OF
IDENTITY

... WHAT DO THEY share
in common?

COMMUNITIES
AS
EXPERIENCE

COMMUNITIES
AS
MARKERS

... So what
makes
healthy
communities?

... it is about RELATIONSHIPS!!

SPIRIT
BODY
MIND

Come together in
conversation to
determine what we
have in common...

... and to
build trust!!

COMMUNITY BUILDING IS
BUILDING NETWORKS

INDEMIC IN
THE HYPERCULTURE
IS
"CHRONIC
SMART PERSON'S
DISEASE"

"mental
diabetes!"

"I listen to
the voices in
my own head!!"
(and in my own
community)

... get outside your
OWN HEAD...

... and
into
community!!

We must be
ACCOUNTABLE
in measuring
our own
work

engage

IN your own community!

APPROACH IT LIKE A PRISM...

reflecting light!!

THERE ARE
MULTIPLE
VOICES ...

LOOK FOR
THE SIGNAL
IN THE noise

LANGUAGE

PEOPLE ARE
SPEAKING
DIFFERENT
LANGUAGES

IN THE SAME
SIGNAL...

WE'RE ALL ON THE
DIFFERENT CLOCK

How do we
get on THE SAME
CLOCK and
SPEAK THE SAME
LANGUAGE?

CENTRIC IS THE
COMMUNITY WELL...

FAMILIES IN COMMUNITIES
ARE CRITICAL...

Where can I
DIG for my
COMMUNITY?

"It's hard for
me to WANT TO
GET INVOLVED when
I see the glass as
HALF EMPTY"

We must
Get out of
the grid!

... get
Count!
refresh!

RESTRUCTURE!

... we can help
people focus
on THE
SMALLER
THINGS THEY
CAN DO...

"The
Social
Structure"

... it is a deficit-
based HOLE..
